Comfortable Living

Residents at Thomas Landing will be able to enjoy life. You will be able to enjoy planned activities daily, including exercises. You may also enjoy visiting, catching a movie in the Theatre or enjoy visiting friends in the beautiful grand fireplace room or one of the many common areas located throughout the community. You may also enjoy the outdoor patio area or walking around in our beautiful garden area. Email or just surf the internet from our computer center.

There is a difference in senior living communities and you'll find it at Thomas Landing.

Located in one of the most beautiful areas in Wisconsin, this wonderful new senior living community will have the services and amenities to meet the needs of our residents, both now and in the future.

What is Assisted Living?

One of the best advantages of living at Thomas Landing is the outstanding services and amenities that we offer. Senior Living is defined as a special combination of housing, supportive services, personal assistance, and health care designed to respond to the individual needs of those who need help with Activities of Daily Living. Supportive services are available 24 hours a day, to meet scheduled and unscheduled needs, in a way that promotes maximum dignity and independence for each resident and involves the resident's family, neighbors, and friends.

We take a forward look to how personal and health related services are offered to our residents. We'll take the time to get to know you as a person. While many senior communities "bundle" their services with their monthly rates, we believe that our residents should "see what they are paying for". By offering a la' carte style services, our residents are able to choose the services they need, when they need them. Both personal and health related services are offered to our residents to help them stay as independent as possible, for as long as possible.

Our vision places the needs of the residents as our main priority. By offering choice, maintaining dignity and promoting independence to our residents, Thomas Landing is a great place to call home.

IT'S NOT JUST ABOUT BEING HOME.
OUR BUILDING IS SIMPLY AN ARTIFACT
OF OUR CULTURE. IT'S THE PEOPLE WHO
WORK AT THOMAS LANDING THAT
MAKE THE DIFFERENCE.
